**Robin, one of our first Autism Champions, joined up with Spike to deliver their first one day course, here's what attendees had to say**

"Excellent delivery of the training.  
An interactive session"

"Keep doing what you're doing!"

"Robin and Spike related to the people learning well and had the ability to communicate effectively"

"I've learnt how to be an excellent support worker and provide the right services to clients"

"I've taken away an understanding of being sensitive to the needs / language / communication of the service world"

"Amazing work and a refreshing approach!"

"It was helpful to understand  
"lived experience" "

"It was so useful to relate  
to our experiences"

"Robin was honest,  
genuinely interested,  
passionate, knowledgeable  
and open for debate"

"Really enjoyed learning  
about the training"
