7% said Good

We asked our attendees how they would rate our course presenters on the course material they used

73% said Excellent
21% said Very Good
6% said Good

100% of respondents said they were 'Very Likely' to recommend this course to others

A selection of open comments from attendees on what they learnt and will take away with them:

"Given me a fuller insight into Autism"

"Better understanding of the world from the perspective of an autistic person"

"Need to make it more public"

"How to modify my behaviour to make it easier for autistic people"

"Helped me realise how hard simple tasks are to a person with autism"

"I've learnt to not to over power my clients with questions an to just simply listen"

"The course had brilliant communication and was easily understood"

"Patience. Not overloading with information. Listening."

"Was really good. Made me think more about people I support"

"Opened my mind and made me think of how it works"

"To keep doing what I'm doing - listen, take time for the person to process. The person I support doesn't get anxious, I do. Keep being self-aware."

"Be patient, give them a chance to process"
