

Parish Notes 6 August 2018

HGV restrictions, & parking on pavements

Rottingdean residents continue to raise the negative impact of large HGVs in the High Street. There have also been several areas where parking on pavements is happening. *Operation Crackdown* can be used to report all types of driver incidents. Memorial on the Green: Work has been completed by the Royal British Legion to replace the railings removed in WW2, to mark the centenary of WW1.

Rottingdean Village Fair

took place on Saturday 4 August. RPC had an information stall where Councillors were available to discuss issues for the Village including current parish council vacancies. Please contact the Clerk for information.

Improvement to Lower High St consultation

The opportunity was taken on 24 July to outline to residents and traders RPC's early thinking about possible improvement to the Lower High Street area – see sketch opposite.

Bikeshare Hub in Rottingdean:

Local councillors remain in correspondence with BHCC to ensure the interests of pedestrians especially children are fully considered.
