

Are you thinking of becoming a foster carer?

Are you already a foster carer and thinking of transferring to us?

Why foster with Brighton & Hove City Council?

- You'll foster local children
- You'll receive excellent levels of ongoing training and support
- We have a vibrant fostering community and plenty of opportunities to meet other carers for friendship, advice and support
- We offer events and activities for foster children throughout the holidays
- Our priority is to identify Brighton and Hove approved foster carers for our local children

young people
find their place
in the world'**

Fostering Facts

- 1 You can be single, in a relationship, married, gay, straight, a homeowner or renting
- 2 You can offer a home for long-term, short-term, emergency or respite care
- 3 Becoming a new foster carer with us takes around six months and to transfer to us from another agency takes around three months
- 4 We offer a generous financial package
- 5 We are a 'not for profit' foster service putting children and our foster carers at the heart of everything we do
- 6 Our foster carers love making a difference and highly recommend being part of this life changing service
