

**Re: Submission of Draft Charging Schedule and Statement of Modifications to the Draft Charging Schedule, Brighton & Hove City Council**

This is to inform you that we are submitting a Draft Charging Schedule (DCS) for an examination in public in accordance with CIL Regulations 2010 (as amended). We are notifying you as someone who has previously responded to the consultation upon the Draft Charging Schedule that we are moving to this next stage of the process. The Statement of Representations to the Draft Charging Schedule is attached so you can see how your comments may have informed the process. Changes to the DCS are set out in a Statement of Modifications to the Draft Charging Schedule (attached). You have the right to request to be heard by the examiner on those modifications by reference to the Statement of Modifications to the Draft Charging Schedule (attached).

Information and documents are available on our CIL Examination webpage <https://www.brighton-hove.gov.uk/cil-examination> including a statement of documents available for inspection and where they can be inspected.

All requests to be heard are to be received in writing **between 16 January 2019 and 13 February 2019** via
