

Appendix 2

Engagement

Chapter 2

Results of the Rottingdean Neighbourhood Plan Village Survey 2013 confirm that:

77.5% value Rottingdean's open spaces

82.5% want St Aubyns Field retained as an open space

44.5% wanted the conservation area extended to include St Aubyns Field

96% support for this strategic objective from the 2014 consultation exercise.

Chapter 4

Rottingdean Tourism Conference recommendations 14th June 2013.

Meetings of Councillors with Rottingdean Traders and Business Association aiming to boost tourism and trade.

'Visit Rottingdean' Meetings 2016 onwards

Traders' Associations plans to establish Tourist Information Centre in 2013 and 2014

Village Fair Feedback August 2013

Key issues from the RPC Neighbourhood Plan Village Survey

These include :

80% response in favour of increasing tourism in the Village.

66.5% response in favour of a Coach drop-off point, although only a 30.5% response in favour of a permanent Coach parking space(s.)

Chapter 6

86.5% of survey respondents wanted the Parish Council to seek to reduce the amount of through traffic in Rottingdean.

59.5% supported traffic-calming measures

51.5% supported a one-way system in the High St

86.5% supported timed deliveries to businesses surrounding the High St

93.5% supported enforcement to reduce use of the High St by HGVs

86.5% were satisfied or very satisfied with the frequency of buses in Rottingdean

51.5% thought air quality was an issue in the High St

Additionally, respondents identified less traffic, traffic-calming and pedestrianisation as methods of encouraging more trade in the High St.
