On 15th January 2015 the Economic Development and Culture Committee at Brighton Hove City Council unanimously passed St Aubyns Planning Brief. This completes around 18 months of work by five Parish councillors working with city officers and the Cothill trust.

Ward Councillor Mary Mears was present at the meeting and spoke strongly in support of the Planning Brief and acknowledged the work that city officers and Rottingdean Parish Council had contributed.

St Aubyns Planning Brief provides clear guidance to regulate what developers can cannot do on the school site and field. The St Aubyns Planning Brief can be viewed at <http://www.rottingdean-pc.gov.uk/sitedata/files/St%20Aubyns%20Planning%20Brief%20final%20Jan%202015.pdf>

This significant achievement was secured by Rottingdean Parish Council.
