What's New @ BSP

BSP Focus on - Peel and Reveal Labels

BSP Products

Urgent: 1 June 2015 legislation deadline

What's New @ BSP:

As Managing Director I would like to welcome you to our second newsletter, I hope you find it useful and informative. It is a major strategic aim for us to continue to invest and grow the business while ensuring we meet our customers' needs as well as continue to offer outstanding customer service. We are starting the New Year with a new team member, Josh Cooper who joins us as a Print Apprentice. Josh will undertake an NVQ 3 BPIF Print Apprenticeship and will be involved in all aspects of the business.

I am pleased to announce, we will be supporting EACH (East Anglia's Children's Hospices) as our Charity of the Year and a charity that is close to our hearts. EACH supports families and cares for children and young people with life-threatening conditions across Cambridgeshire, Essex, Norfolk and Suffolk. We will be organising a number of fund-raising events as well as providing our services where possible, to support this wonderful charity and the work it undertakes. More details to follow. For direct information, forthcoming events or to offer support to EACH direct visit www.each.org.uk

Moving forward I would like to extend a big thank you to all our customers' and suppliers for their continued support and look forward to working with you over the coming months and years. With further new developments on the horizon, details to follow shortly, 2015 looks to be rosy for BSP Labels.

Staff Corporate Clothing

We have re-branded our website, social media and stationery, it is now time to re-brand the staff! We have recently taken delivery of our lovely new staff polo shirts and sweatshirts and everyone seems happy with the end result.

BSP Focus on - Peel and reveal labels

Are you running out of room on your labels? Do the impending changes in legislation mean you need to re-think the layout of your labels and decide how to fit on all of the required information? This is a problem more and more businesses are now being faced with! BUT don't worry BSP Labels have the solution - MULTI PAGE PEEL AND REVEAL LABELS. BSP have recently invested in equipment which allows the print of multi-page peel and reveal labels, utilising a MULTI-WEB INFEED SYSTEM, this means you can utilise the same size label and still include all of the information required by the new legislation. Please call us for further information on this product.

BSP Products

Did you know that BSP Labels are not just suppliers of labels! Our range includes:

- Bespoke printed labels.
- Supply of standard size and bespoke A4 laser labels - one box minimum order quantity - **ASK US FOR A QUOTE.**
- Chemical labelling and BS5609 accredited.
- Complete turnkey solution to warehouse labelling, including clean downs and installation.
- Variable data printing. Our in-house bureau over-prints millions of labels every month.
- The supply of thermal transfer printers and agents for TSC printers, offering prices hard to beat in the market place.
- All consumables associated with TT printing including ribbons, print heads and maintenance contracts.
- We are happy to install and train on all printers purchased from us (T&C's apply).

Date for the diary - 1 JUNE 2015

Chemical label legislation - time is running out...

Are you compliant? As of the 1st June 2015 there are new EU laws for the supply and printing of chemical labels. This means any production of labels from this date are required to meet new EU legislation. **Don't panic!** We are here to help. If you are unclear on what this means for your business and whether you need to replace any of your labels please give **Keith** a call or email keith@bsplabels.co.uk He loves a challenge!! Alternatively visit our website for further information. **YOU STILL HAVE TIME, [CLICK HERE FOR MORE INFORMATION](#)**

Social Media & BSP Labels:

Remember we are on [Facebook](#), [Twitter](#) and [LinkedIn](#). Please follow us, like us and interact with us, we promise we will always respond.

A recent testimonial from a client.

"We have been using BSP to produce specialist dispensing labels for the past 10 years. I was very pleasantly surprised that they took on the challenge, as other companies weren't able to produce them to the precise specification and quality we require. We take a pallet load of labels every month and have never had a problem with quality or supply. I have nothing but praise for BSP and have no hesitation in recommending them." **Jon Hewitt, Managing Director, Teleos**
Thank you Jon for your kind words
Please email us if you can provide a testimonial for us to use on our website and marketing material - sales@bsplabels.co.uk
