COOKIE DECLARATION

Cookies are small text files that are placed on your computer by websites that you visit. They are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the site.

Like most websites we use Google Analytics' third party code which is used to collect information about how visitors use our website. We use the information to compile reports and to help us improve the website. The cookies collect information in an anonymous form, including the number of visitors to the website, where visitors have come to the website from and the pages they visited.

Third party widgets

To make our website more interactive and interesting for you as a visitor we also embed some page elements from some trusted third parties like Facebook, Google maps and videos uploaded from Vimeo. We are confident that these parties value your privacy as much as we do.
