What upsets young people online?

Jake Symes, Ben Evans, Callum Pye

What do you think?

Statistics

- **22%** of children in Europe feel that **pornography** upsets them most, followed closely by **violent content (18%)**.
- **75%** of 12 to 15-year-olds has a social media profile.
- **1 in 3** internet users are children.
- **Nearly 1 in 8** young people have been bullied on social media.
- **Almost 25%** of young people have come across **racist or hate messages** online.

What can upset young people?

"It upsets me when people target what I don't like about myself"

" I don't like it when people make fun of those with disabilities. "

"I spend about 12 hours online every day"

"I don't like reading inappropriate jokes, especially about me or my friends"

"We need more support from teachers at school"

What can **you** do to help this?

Parental Controls

T.E.A.M

T - Talk to your child about staying safe online.

E - Explore their online world together.

A - Agree about what's ok and what's not.

M - Manage your family's settings and controls.

Thank you for listening
