

LEARNING & DEVELOPMENT 2025–26

The Isle of Wight Safeguarding Children Partnership (IOWSCP) provides a **FREE**, multi-agency, learning and development programme for professionals who work with children and families on the Isle of Wight. The programme is funded by the Partnership and includes virtual events and courses, webinars, workshops and eLearning.

These multi-agency learning opportunities bring professionals together to develop knowledge and skills and are designed to complement single-agency training.

All organisations working with children and families are responsible for ensuring that their staff and volunteers are confident and competent in carrying out their responsibilities for safeguarding children. Staff should have access to appropriate development opportunities to ensure they have the knowledge and skills to identify and respond to abuse and neglect.

LEARNING & DEVELOPMENT THEMES for 2025/26:

The IOWSCP is pleased to be able to offer learning under these themes:

- Child Sexual Abuse
- Child Neglect / Child Abuse
- Safeguarding Children
