

ISLE OF WIGHT SAFEGUARDING CHILDREN PARTNERSHIP 2019/20

Do you know what your child is doing online?

The SCP is holding a 2 hour information session for parents/carers and professionals on what children are doing, accessing and viewing online. And importantly, what controls can be put in place to manage the risks (including internet, app and website settings). The session contains practical content and advice that will really make a difference.

- Understand how children use the internet and technology
- Identify risky behaviours
- Understand the contact of sexting
- State what radicalisation and extremism are
- Define what grooming is
- Providing parents and carers with digital resistance
