

REGULATIONS ON SEABASS FOR FOR RECREATIONAL FISHERS

From 1st March to the end of November, **no more than two Bass** can be retained per fisher, per day.

Any Bass retained must be a **minimum size of 42 cm.**

Bass cannot be taken using a fixed net.

From 1st January to the end of February and in December catch and release only is permitted for recreational fishers for seabass.

These apply whether you are fishing from a vessel or from the shore.

Southern IFCA is working with DEFRA and the Marine Management Organisation to raise awareness of these regulations. These measures form part of the package of regulations to rebuild the fishery.
