ALLERTON LODGE CARE HOME

Our promise to you

Allerton Lodge is a Care Home set in 2 acres of land. We provide a happy home from home environment. We offer support to elderly individuals and elderly individuals who suffer with mild mental health problems such as confusion, short term memory loss and early stage Dementia/ Alzheimer's disease. We offer an environment catering for the needs of both persons with and without dementia on an integrated basis, sharing all facilities. Our staff through their professionalism, kindness and friendly manner give our care home a special and genuine home from home feeling. We will care for you or your loved one as though part of our own extended family.

Our MISSION STATEMENT says it all ...
'Our intention is to provide a happy home-from-home environment of such quality that we the staff would be happy and content to place our most cherished elderly relative.'

Aims and objectives

The physical environment shall provide all those who live and work at Allerton Lodge with the ability to maximise their quality of life. Space to ensure that the residents are able to follow a style of living that will bring contentment, warmth and friendship.

Our staff make the difference!

One fact that makes our home so different to many other care homes is that a large proportion of our staff have worked here for many years. This is a direct result of our recruitment policy; the majority of our staff are mature with experience of life. This gives them great empathy and understanding for the vulnerable people in their care.

We have a No Uniform Policy which helps to create a home from home environment and a general more relaxing atmosphere.

Allerton Lodge has a designated residents smoke room which enables smokers to relax in a warm comfortable area and enjoy a cigarette without infringing on those around them who choose not to smoke. We continually strive to improve and test the quality of our services.

Our catering team have excellent culinary skills. We have a simple catering policy ... we endeavour to provide whatever a resident fancies.
