Job/Person Summary

Dr South's School has a holistic approach towards children and education. We are a successful, rural primary school where all children are enabled to flourish academically, socially and in the wider curriculum. We are very lucky to have the purpose-built Lin Cooper Practical Skills Building for cookery and art activities, and additional funding means that all children attend outdoor learning sessions.

We are looking to recruit a full-time teaching assistant to work in our KS1 class. Your main job will be to support the teacher. This will involve working with individuals or groups of children, preparing resources, taking phonics activities, supervising playtimes and a whole range of other activities. This will require a pro-active, positive attitude, and flexibility is key.

If you would like to be shown round our lovely school, please phone the office to arrange a time.

The school is committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. Enhanced DBS checks and references will be required in line with our Child Protection and Safeguarding Policy.

Application Procedure

Please go to our website dr-souths.co.uk/staff-vacancies/ for the application form, person specification and job description.

Please send your completed application by email to: office.3655@dr-souths.oxon.sch.uk or by post to our address shown above.
