Who are Born To Productions Limited?

We are a UK feature film production company focusing on low budget productions. Company director, David Sangster is a student of the same movie guru who taught Tarantino.

In this brochure we will outline the depth and breadth of our catalogue.

Screenplays

Nothing Changes Without a Body Count

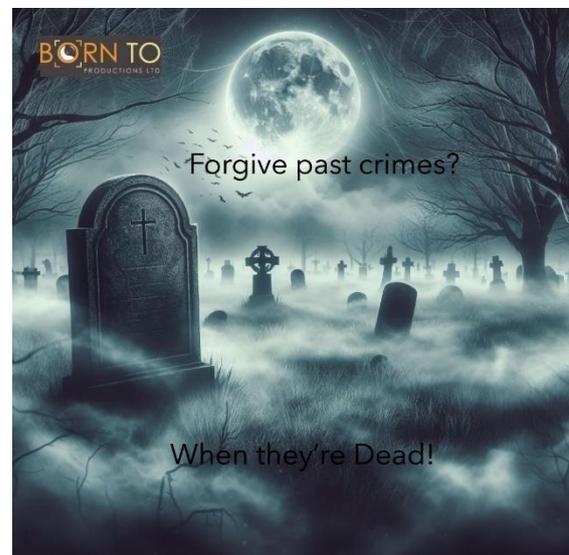

When a controversial academic writes a book, about how to bring radical change to society, he has no idea of the trouble he will cause for himself, the police or the hostages in a downtown office block.

One Bite Too Many

One Bite Too Many

A serial killer murdering his way across the USA appears to have landed in rural England. Why should this concern a disgruntled bar owner with a shady past? Is it because the victims in England have one bite too many on their corpses?

'When They're Dead!'

What has an academic study of Inquisitorial Spain got to do with an obsessive Nazi hunter? A raw study of Holocaust survivors, their post war children and when to let the past go.

Novels

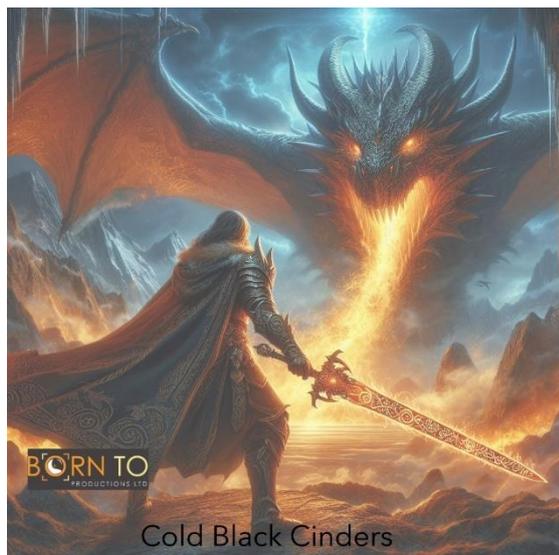

World Famous Name

Why has a reclusive movie star chosen an up and coming journo to give a long awaited interview? The longer she stays at his island retreat the more the journo is sure there is a hidden agenda.

Demons & Sinners compendium

Incl the novella

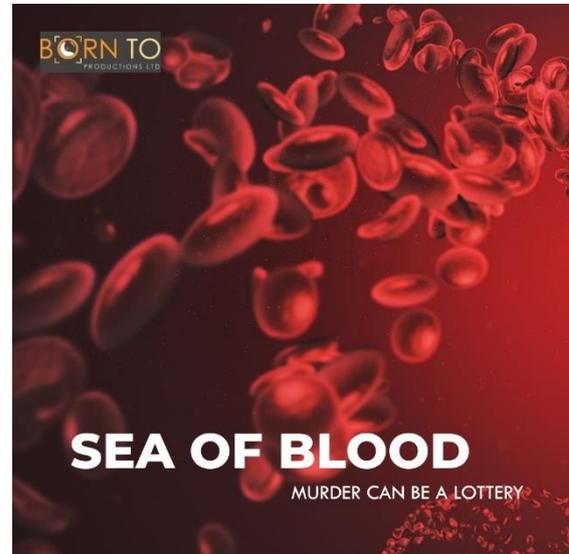

Cold Black Cinders

A taciturn warrior puts his own life at risk, to save a young mother and her

child, from ritual sacrifice to the fearsome creature, whose fiery breath will turn you to cold black cinders.

Treatments

Sea of Blood

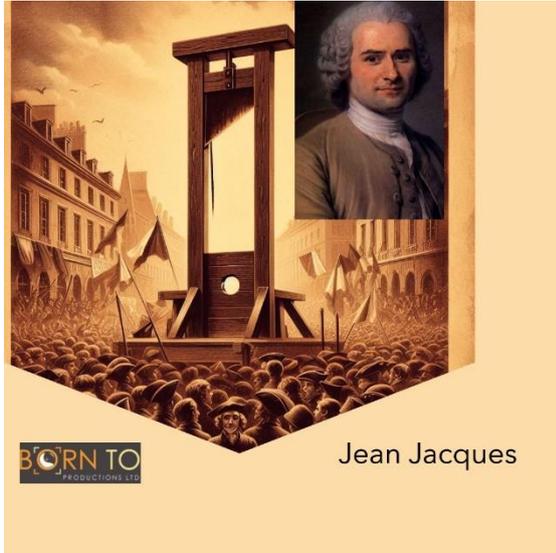

A room full of suspects, a grocery list of motives, a long list of victims. Is it one murderer or more. Either way no one is leaving until the case is solved.

Premises

Death & Love

A key witness for the prosecution bids farewell to his fiancé before giving testimony, only the ungodly are waiting outside the restaurant.

Jean Jacques

He was blamed for the American War of Independence, the French revolution, the Russian revolution. He wrote that 'man is born free but everywhere in chains.' Every country was too hot for him to live as he stayed one step ahead of the authorities. He wrote the first confessions book. His name Jean Jacques Rousseau. This is his story.

We will consider investments into a Special Purpose Vehicle to produce one of the intellectual properties described in this brochure or negotiate pre sales.

Many of these properties can be brought to the screen for low budget investment.

Born To Productions Limited is owned by David Sangster, whose first screenplay was praised by Oliver Stone: 'your desire to make socially conscious films is admirable.'
