The 99 is a flexibly routed bus service which diverts off route and runs door-to-door in the DaRT areas shown on the map. Divert/door-to-door only operates in those areas, these are shown as "Phone and Book" on the timetable above. We regret that the vehicle cannot divert off route in other areas.

Although pre-booking is advisable, BOLD type indicates fixed times and services from this point do not need to be pre-booked.

* indicates DRT timing approximate and can vary up to 10 minutes from this time, subject to booking and passenger requirements.

Essex Saver Tickets are valid on 31A and 99 services between Broomfield, Chelmsford and Maldon only.

Bookings can be made any time up to three months in advance and no later than two hours before travel.

Booking line for 99 services is open between 0900-1700 Mondays to Fridays.
