

February 2019

Just Loos Training Session

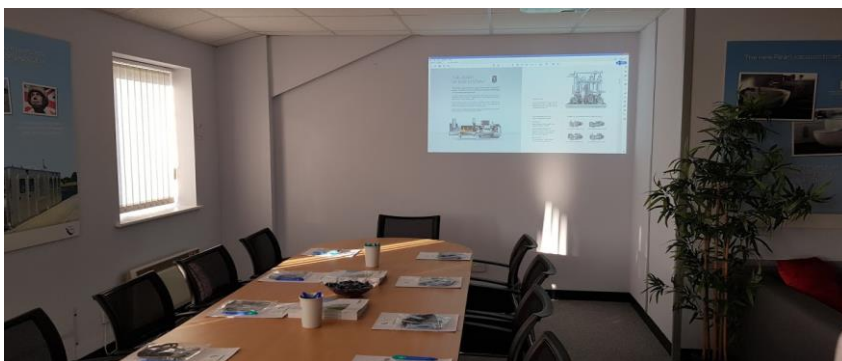

Nine members of the team from **Just Loos** attended our latest training session in February to participate in a repair and maintenance training session on the various pieces of JETS equipment that they work with on a daily basis.

Don't forget that if you would like a free Jets accredited training session at our fully equipped facility for your staff in preparation for the 2019 summer season, then please contact lorraine@ottervacuum.co.uk and she will make all the arrangements! The day includes both practical and theoretical learning that can be tailored to your specific JETS equipment, together with complimentary lunch, certificate and training manual for all attendees.

Otter Vacuum are also accredited to provide a CPD course by The Chartered Institution of Building Services Engineers (CIBSE) entitled "Vacuum Sanitation in Buildings" so again, please contact Lorraine if this is of interest to you and your teams.

Bloomberg European HQ London nominated for BREEAM Awards 2019

The BREEAM Awards recognise the achievement of those involved in the specification, design, construction and management of BREEAM certified buildings. The Bloomberg European HQ building in London is already an award winner for its design excellence. Last year it took the Commercial Projects Design Award in the BREEAM Awards, as well as the RIBA Stirling Prize. The winner will be announced live at the BREEAM Awards ceremony at London's Hilton Bankside on the evening of Monday the 4 March.

WWETT Show 2019

Jets Vacuum AS exhibited at the Water & Wastewater Equipment, Treatment & Transport (WWETT) Show in Indianapolis in February. The WWETT Show is the world's largest annual trade show for wastewater and environmental service professionals. The event offers an unmatched educational program, a full slate of live demos, an array of networking opportunities, and an extensive expo floor where buyers and sellers come together to see and experience the latest product innovations and technology.

Springtime in February!

Hope you have all enjoyed the recent sunshine and warm temperatures! Long may it last!
