

The shared stand of JETS™, Otter vacuum systems™ and Flexiloo™ received second place for the Best Stand competition at this year's Showman's Show. Our Managing Director Andrew Hay, accepts the certificate and a bottle of bubbly, pictured with the directors of the show Jeremy and Johnny Lance. The show was another great success for all three companies with enquiries flooding in from all over the world. We would like to thank everyone that came to see us at the show. Great to catch up with old friends and meet new one's. We are very excited about our new products and are thrilled that we already have orders on the go, giving our customers the best luxury sanitary system in the world!
