

## Fees

Nursery fees calculations are based on the number of days children are booked to attend; hence there can be a small variation from month to month. For example if a child attends 4 full days a week (Monday to Thursday) the fees payable for September 2014 would be £828 (18 days x £46.00), for November 2014 the bill would be £736.00 (16 days x £46.00).
