

## DERMALOGICA

---

A range of Dermalogica treatments customised to your skin needs using exclusive Dermalogica consultation and face mapping analysis to prescribe and treat your skin concerns to complete and enhance your treatment why not customise with your choice of relaxing Touch therapies

### Face Mapping and Skin Analysis -10 mins FREE

Using Dermalogicas unique face mapping and skin analysis combined with our skin scanner we will diagnose your skin concerns and prescribe a suitable home care and treatment regime. A professional consultation means your skins post present and healthiest future

### Dermalogica Skin Bar - 10 mins FREE

Test drive your prescribed regime with our professional skin therapist. At skin bar you can learn about your skin with face mapping and learn how to use products hands on

### Microzone - 20 mins £20

Professional skin treatment when time is limited- concentrating on top skin concerns. After consultation and face mapping analysis we will determine your needs focus on key stages of treatment to achieve maximum results in a minimum time

### Age Smart Treatment - 60 mins £37

Are the signs of ageing becoming more prevalent on your skin? Give it a revitalising power boost with this treatment designed to help firm, smooth, nourish, regenerate and energise! The AGE Smart treatment helps control the biochemical triggers that lead to skin ageing, and is the perfect complement to your AGE Smart home care regime

### Medibac Clearing Treatment - 60 mins £37

Jump start acne clearing with this purifying, detoxifying and professional treatment that promotes breakout clearing well beyond the treatment

**Power Bright Trx Treatment - 60 mins** £37

This highly potent specialised skin treatment accelerates skin brightening, improves texture and balances skin tone while regulating overactive pigment cells. Dermalogica's unique combination of advanced exfoliation penetration technology and active peptide ingredients work to treat and control hyperpigmentation at its core. The result? Clearer, smoother, brighter more evenly toned luminous skin

**Ultra calming Treatment - 60 mins** £37

Red, itching, burning – don't conceal it. Control it! The Dermalogica Ultracalming treatment is serious relief for sensitised skin that calms, soothes and replenishes the most aggravated, irritated, inflamed skin. By targeting the triggers behind redness, itching and stinging, this treatment will help recover skin health for long-term relief from flare-ups

**Clear Start Facial Treatment - 35 mins** £25

A facial treatment and homecare advice designed for teenage skin using Dermalogica's clear start products with formulas designed to combine serious medicated ingredients with skin smoothing botanicals – which means they are tough on breakouts but kind to skin

**Clearstart Back Purifying Treatment - 25 mins** £20

The back and chest can also be affected by teenage breakouts and this treatment and homecare advice makes full use of the clearstart range treating inflamed, irritated congested skin

**Touch Therapies - 15 mins** £5

Why not customise your Dermalogica skin treatment with your choice of touch therapies. 15 minutes of extra attention where you need it most. Ask your therapist about the range available

**Biosurface Peel - One Off Treatment** £70

- Course of Three includes free aftercare kit £180

- Course of Six includes two free aftercare kit £360

Biosurface Peel is a powerful skin resurfacing system. It helps reduce breakouts, pigmentation and signs of premature ageing to reveal smoother, brighter and softer skin. Biosurface peel is a biologically active, biphasic peel that will decrease surface roughness, treat acne, reduce fine lines and help fade pigmentation

Recommended at a course of treatment 3 – 6

## THERMAL BODY TREATMENTS

A range of Dermalogica thermal body treatments are designed to follow the principle that looking good is a product of skin health, Dermalogica's range of treatments provide results with your skin looking and feeling great

### Mineral Salt Scrub Therapy - 30 mins £25

Customised to either energise or reduce stress. Mineral salts and seaweed exfoliate while skin smoothing enzymes help dissolve dead skin cells naturally for a smooth finish. Natural oils and extracts help stimulate the senses while cleansing and conditioning with the added benefit of warmth helps invigorate mind and body

### Body Foliation Therapy - 30 mins £20

Ideal for those with sensitive or prematurely ageing skin using gentle oatmeal and rice bran powder activates to create a gentle yet effective exfoliant that whisks away dead skin cells, brightens skin and helps reduce the appearance of sun spots and hyperpigmentation

### Power Recovery Therapy - 30 mins £25

An intense wrap therapy dedicated to feeding your skin with nourishment it needs. A unique blend of wheat protein and Honey act as hydrators while a selection of other ingredients including ginger and white tea stimulate blood circulation, aromatherapeutic benefits and antioxidant protection

### Nourishing Sea Mud Therapy - 30 mins £25

Stimulate circulation while soothing skin with this body wrap therapy that promotes skin nourishment. Natural earth clays draw out impurities while Asian ginger and white tea stimulate circulation and smooth skin

### Deep Thermal Therapy with Thermal Stamp - 90 mins £48

Inspired by the practices of Thai therapy of the 14th century, this Thermal body Therapy Treatment utilises a unique stamp filled with skin benefiting ingredients and the power of heat to detoxify, re-mineralise, de-stress, exfoliate and relax. Combining a selection of ingredients which stimulate circulation and smooth skin. The deep manipulations along pressure points and the meridian of the body relieve aching muscle tissue and work to rebalance the body
