## JOURNAL OF THE National Institute for Career Education and Counselling

April 2018 | issue 40

This issue draws together a wide range of articles reflecting the diversity of expertise among our authors and of interests among our readership. The authors in this issue open up a range of important issues reflecting the complexity of 'career' and the need for informed critique and a creative response to provide a service relevant to the needs of the 21st century.

**Editors:** Lyn Barham and Michelle Stewart
