Traditional Oak Honours Boards

The traditional way to recognise achievement, special events or an individual who contributes a great deal to their school, club or local organisation and to keep a permanent record of past and present achievements.

Lettering is applied in CAD cut vinyl text and your logo or crest can be produced in cut vinyl or printed then applied to the board. Subsequent or additional lines of text can be applied in the future. We have a range of fonts to suit all designs.

Our classic Honour Boards are hand crafted with a solid oak frame and oak veneered panel, with text and logo or crest to the face and complete with either hidden or brass fixings, these honours boards are built to the standard that you expect. Popular Honours Boards

Our "popular" Honours Boards are contracted to the same hand made quality as our traditional Boards but with a veneered edge instead a solid oak moulding around. Offered with either brass or hidden fixings and presenting a modern but quality styling, these honours boards will enhance any location.
