

## John Merricks Sailing Trust Legacy Award

### Guidance notes for Expressions of Interest

In order to avoid multiple organisations spending considerable time and resources putting together a detailed funding bid, the JMST Trustees require an initial Expression of Interest document to be sent to the Trust email: [applications@jmst.org.uk](mailto:applications@jmst.org.uk) by 30<sup>th</sup> November 2021 at the latest.

The document should be no more than two A4 sides and contain the following information:

- Name, address and website of the organisation.
- Name, contact details and position of the nominated contact person.
- Type of organisation e.g. club, outdoor centre, class association, charity

### **The Project**

- What is the name of the project [this can be altered later]?
- In one sentence or phrase, what is the vision for the project?
- Briefly describe the essence of the project
- How would the project be managed and by whom?
- Describe any unique or innovative aspects of the project.
- Estimate how many young people the project would involve over the first five-year period.
- What other resources [financial, human, material, intellectual] would you expect to bring to the project?

### **Next steps**

The Trustees will invite a maximum of six projects to submit a formal application.
