

## ***Additional Information***

### ***Policies***

A full list of The Childrens House policies are available at the Childrens House on request.

### ***Tapestry***

When a child joins us at the Childrens House parents can access their child's online personal learning journal.

This is updated daily which means both parents and the nursery can experience, enjoy and track your child's progress during their time with us.

Please copy and paste the link below to access your child's learning journal.

### ***Facebook***

When your child joins the Childrens House you are invited to join our Facebook page which is a closed group for parents only.

We also have a Facebook page which we do all our advertising from
