## AUTUMN TERM

September 2018

Dear Parents and Carers

### HINTS & TIPS

Spare clothes - please remember to bring spare clothes for your child and ensure that the clothes are manageable by the children to promote independence. Please also consider shoes and whether your child can put them on and do them up with little or no help.

### Pull-ups

Please can we ask parents to not use pull-ups at the nursery. They are less absorbent than nappies and tend to leak. We advise that you either use nappies or pants depending on their stage of potty training.

### Labelling

Please can you ensure that you label all your child's belongings that come into nursery. We take no responsibility for any items lost that have not been named.

**WATER BOTTLES** please make sure that your child has a water bottle marked clearly with their name. It is very important that the children have access to their water bottles all day.
