All the craft activities will run throughout the week and we would also like to gain some ideas from the children of things that they would like to do.

During the week, we also plan to take the children to the field to play games and walk to the park at the leisure centre - please ensure that they have a sensible shoes & a water bottle with them and a packed lunch (please remember we are a NUT free zone)

SUN CREAM: Please ensure that your child has had sun cream applied before coming to nursery & supply a bottle with the child's name or pay a £1.50 Donation so we can supply the cream. If a child does not have sun cream, we will be unable to let them out in the garden

If any of the children wish to bring in any games, electronic devices etc then they can, but please can we ask that they are named, and we will allow them out for short periods of time. However, we cannot accept any responsibility for them.

We will be looking at the cinema listings and see if there is anything interesting on. We will let you know if we plan to do this.

Thank you

Karen
