available products and services,
please call 01903 731543.

PENSA Cooling services REFCOM APPROVED

We are a Refcom approved company. This simply means that we are allowed (by law) to handle refrigerant gases. If you require further information, please visit our 'F-Gas Audit' page.

Cold Room Service & Repair

From hotels, storage facilities, restaurants to funeral directors, our service is second to none. Where reliability counts!

Retail Multi-deck Chiller cabinets

Multi-deck cabinets are commonly used in retail environments such as supermarkets or convenience stores

Bottle Coolers & Cellar Cooling

There's nothing worse than warm beer! Often taken for granted, but when they do breakdown all hell lets loose.

Icemaker servicing & sales

Regular servicing of ice machines is essential to ensure that the ice is clean and free from bacteria. Call for more info.
