Tap Room

Well the new tap room refurbishment is now complete and we have had some great comments, whilst we have tried to make it a little more contemporary we don't believe it's lost any of its cosy feel, the new Tap Room snack and nibbles menus are going down a storm (all other menus still available). Dogs have not been forgotten, still very welcome and with the new updated doggie menu on offer we know they will remain happy. We have added more TV's that are individually controllable so we can show separate channels on all TV's inside and outside and with such great selection of sports coming our way this summer on BT Sports, Sky Sports and BBC they will be needed. Bring it on we are ready.

Menus

We now have speciality menus running alongside our normal evening and early bird offerings five days a week with the new introduction of our Italian night every Friday including our great authentic homemade Italian thin and crispy pizzas and some great new pasta dishes why not give it a go, check out the great meal deal for two including our superb house Italian Pinot Grigio the full speciality night run down for the summer is as follows all menus have been refreshed for summer 2016

Monday chippy night
Tuesday burger night
Wednesday steak night
Thursday pub classic night
Friday Italian night

Pensioners Menu

We have a brand new menu for 2016, now served 6 days a week (excludes Sunday) between 11.45am and 3.00pm, you might be a little young to qualify yourself but why not tell your parents or grandparents at only £6.45 for two courses it has to be a winner, the new roast pork dinner is very popular.

Appleby Horse Fair

It's getting nearer and we will be fully prepared with improved outside bars serving drink from 12noon till 11pm and food from 8.30am until 9.00pm, whilst our accommodation is almost full we do have a couple of rooms available on Wednesday 1st and one room available Friday the 3rd and a couple again on Sunday 4th why not give Kyle call on 017683 51463 with your requirements.

Rooms

Room 2 refurbishment is now completed and looks fab with a super king double bed (or two singles). It's room 6 next. We refurbish a minimum of two rooms every year to keep them in great nick, why not come and stay at very reasonable rates from £79 for two over the summer including breakfast served to your table (like it used to be) its great value and with well-behaved dogs welcome in some rooms (when pre booked) you don't need to leave them at home.

Appleby's private dining

Appleby's our private dining room is a real winner, why not book it (min guest requirement might be required) it's your room all lunch time or for dinner at no extra cost and gives you that little privacy you might need for your party with a choice of any of our menus and even a tailor made celebration menu available (why not ask to see the menu), Appleby's is also available for meetings or small presentations call 017683 51463 for more info.

Keep checking back to this information which will remain up to date on our site.

Thanks

Kyle, Jan and all the Royal Oak Team.
