

General Data Protection Policy

Including Privacy and Dignity

Policy Statement

This care service believes that every service user has the right to live their life with privacy, dignity, independence and choice. The care service will work in collaboration with all legal and caring agencies to uphold these rights. This includes the legislative changes within GDPR.

Aim of the Policy

This policy is intended to set out the values, principles and policies underpinning this care service's approach to privacy and dignity, whilst incorporating GDPR. The care service believes that privacy is an absolute right of every service user and is an integral factor in the preservation of each individual's personal dignity.

GDPR Policy

All Service Users and Staff are covered under Data Protection as follows:

- We collect in running and operating our internal systems data on our Care Management System. Information is stored securely and only employees within the service have access to this private information. The system is password protected to each individual for additional security. At times personal information is shared with professionals or family members that have an interest in your personal care. Home Management Team have access to personnel information stored on the system and staff personal information cannot be viewed or shared. Once a Service User or Staff member leaves the service information is archived on the server.
- Personnel files are stored within the Managers office within a locked cabinet. Only Management have access to personnel files. On occasions professionals may view individual files for compliance such as Care Quality Commission or Local Authorities. Files are archived and stored in a sealed box upon termination of employment.
- The Data Protection Act gives all individuals the right to access personal information that is held about them. You can request a copy of any information that we hold about you. Please note that any request for this information may be subject to payment of £10 which covers our administrative costs. Please contact the Providers if you wish to make such a request. Information requested will be provided within 28 days.
- This policy complies with the collection of personal data and its lawful processes. The GDPR includes the following rights for individuals:
 1. The right to be informed;
 2. The right of access;
 3. The right to rectification;
 4. The right to restrict processing;
 5. The right to data portability;
 6. The right to object; and
 7. The right to be subject to automated decision-making including profiling.
