

BEACHY HEAD EAST MARINE CONSERVATION ZONE

Sussex Inshore Fisheries and Conservation Authority is currently consulting on a proposed Beachy Head East Marine Conservation Zone Schedule 5 to the Sussex IFCA Marine Protected Area Byelaw

Beachy Head East MCZ, designated in 2019, is the largest MCZ within inshore waters covering an area of 195km². The Authority has a responsibility to introduce appropriate fisheries management for the area of BHE MCZ inside Sussex IFCA District (192km²). The proposed Marine Protected Areas Byelaw 2023 Schedule 5 will protect sensitive species and habitats by introducing a zonal management approach, including exclusion of 'towed-gear' from part of the site.

HAVE YOUR SAY

You can comment on, in support or objection, to the provisions regarding Beachy Head East Marine Conservation Zone, by way of representation in writing before **Friday 19th April 2024** to the MMO and Sussex IFCA. Further details can be found on our website or by scanning the QR code.
