

# 30 Hours Funding Available from September & Other Updates

## NEWS

**AUTUMN/WINTER 2017**

### Hello and Welcome

The summer has flown by with a multitude of activities, which the children have thoroughly enjoyed and learnt from.

We are now entering the Autumn/Winter seasons where our children experience the joys and colours of a changing landscape and get to experiment with colours and textures the new seasons have to offer.

### 30 Hours Funding

We at Playdays are excited to announce that we are offering 30 hours funding. To find out if you are eligible, log on to [www.childcare-choices.co.uk](http://www.childcare-choices.co.uk) and input your information. Please be aware that funding will only come into effect the term AFTER your child's 3rd birthday. If you are eligible please come speak to a member of our team about receiving your funding or if you have any additional questions or concerns. We are excited to offer this service as it means providing care for more children within our area.

### Graduation Day

Thank you to the parents who attended pre school **graduation and fun day**, I'm sure you will all agree it was a successful day and a lovely send off for our pre schoolers who are off to big school, we wish them all the best. The **graduation day and fun day** was filled with fun activities such as henna, biscuit decorating, face painting, disco/party games and of course the special graduation ceremony.

### Evidence for Learning

Evidence for Learning is our online journal and provides you with a window to see into the day to day running of our nursery. It is a fantastic tool that gives us a chance to display our outstanding practice but also to create a partnership with home and allow you to upload pictures and events that happen within your family. The children and staff really enjoying seeing pictures from home and seeing all the exciting places that you go. We hope that this continues in the future. If you cannot access Evidence for Learning or have any questions please come speak to a member of staff in the office.

### Fees

We would like to remind parents that all fees are due on 1st of each month. If fees are not paid by the 1st of the month you will receive an automatic £25 late fee charge. For every week that fees are late an additional £25 will be added for each week. Please see a member of our team to update your email address. Thank you.

### Clothing Reminder

As the weather continues to be sunny and warm, can we please ask that all children are still provided with sun cream and sun hats for those warm days and coat and wellington boots for those wet days and windy days as autumn approaches. Unfortunately any children attending without appropriate clothing will be unable to use the garden. Could we also ask parents to arm their children with spare clothing, so they can battle messy play!

### Parents Evening

Please note our parents evenings will be held on the 19th and 20th of September. Please can you book in time with your child's key person. The quicker you book, the greater probability of seeing us at your preferred time.

### A Request Please

If you have any toys, books or games that your children are no longer using, please can you donate them to the nursery, if possible. We would appreciate it. Thank you.
