NEWS

SPRING TERM 2018

Welcome to the beginning of another fun packed term. We've lots of events coming up which lead us into the long awaited, warmer months of Spring.

Celebrations

Autumn 2017 Term Celebrations

Thank you to all the parents that came to the Halloween Zoolab event. The children were very well behaved. There were lots of learning opportunities - particularly the World.

Christmas celebrations

Thank you to all the parents that came and all the positive feedback. Special thanks to Father Christmas for visiting some of the parents!

Welcomes

Welcome to Minha our Nursery Apprentice. Minha is studying for level 2 in Childcare and Education and is already forming fantastic friendships with the children.

Welcome to Sana a level 3 qualified Nursery Nurse who is based in years 2-5. Sana is a key person, and has great knowledge of the EYFS.

Welcome to Gemma a level 2 qualified Nursery Nurse who is also based in years 2-5 on a part time basis. Gemmas activity ideas are already proving a hit with the children!

Welcome back Lucy! Lucy returns to her full time role and will continue with her duties as Nursery Manager. Carly will resume her duties in years 2-5 as Room Leader. Special thanks to Carly for steering the ship in Lucy's absence.

Nursery Fees & Bank Details

If any of your personal information has changed (e.g. contact details or authorized collectors), please ensure new details are emailed to lucy@playdays-nursery.co.uk. Your child's file can then be updated.

Reminders, Information & Requests

Spare clothes must be provided for each child in their bag.

We have all qualified in Makaton sign language and as an aid to encourage language we will be using simple Makaton signs with all children. Please see Carly if you would like to learn some signs and support your child at home. Well done to our grown up Sunflowers who have left their comforters behind. We have even had one child who donated her dummies to the Baby Buttercups, as she thought they would need them more than she does! Very grown up thinking!

We are planning outings for all children – do parents have any suggestions?

We will be creating a Growing Area at the end of this term, if you have any seeds, pots or plants that your child would like to donate please see Carly.

GOOD NEWS

Paige achieved her level 2 qualification. We are so proud of her! She is starting her level 3 in Childcare and Education soon.

Thursday 15th February - Chinese New Year Special Tea (only for children in on this day).
