

Privacy Policy

This is not intended to be a legal document, but simply a guide to give you some idea of the sort of information that may be collected automatically from visitors to our site. In common with almost all websites, we may use web statistics and/or tracking software that automatically collects and stores data about visitors. This data may include IP addresses, types of web browser used, pages visited, time of visits, referring URLs, referring keywords and other data. We may also use cookies, web beacons and other mechanisms to collect and store information relating to each visitor.

We may collect and process the following personal information about you;

Information that you provide by completing out booking form.

If you contact us, we may keep a record of that correspondence.

Details of transactions you carry out through our site and details regarding the fulfilment of you booking.

Information collected from visitors may be stored in a variety of formats and storage mechanisms and used for a variety of purposes relating to our business. We do not, and will not share customer details with any 3rd parties.

Cookies

This site also uses cookies, small text files that are placed on your machine to help the site provide a better user experience. In general, cookies are used to retain user preferences, store information for things like shopping carts, and provide anonymised tracking data to third party applications like Google Analytics. As a rule, cookies will make your browsing experience better. However, you may prefer to disable cookies on this site and on others.

How to manage Cookies

For help and information on managing and disabling cookies enter aboutcookies.org in your web browser
