All of the above include a brush, ears/eyes wiped clean and nails clipped

Hand-stripping is an additional £10 charge on top of the 'wash, blow dry & cut' fee for that specific breed.

Due to post grooming furunculosis we do not bathe your dog following the hand strip. We will be happy to bath your dog after 2 weeks, free of charge. We are trying to minimise the risk of this syndrome of severe skin infection in dogs following grooming.

Prices may be negotiable. To be fair, depending on the individual dog, it may be wise to re adjust price as no two dogs are the same and breed types do vary
