

BE A VOLUNTEER!

Join our Team 😊

Sparklers Charity are a charity who provide support to individuals with Additional and Special Needs and their families.

We are recruiting for volunteers to help us with our upcoming events, playgroups and admin support. The playgroups will involve setting up and tidying up before and after sessions. Volunteers interact with children, young people and families and provide assistance where needed.

Volunteers must be 16 years and older, organised, empathetic and able to comfortably listen to the needs of the families. If you believe that you have these qualities, please get in touch. 😊
