# Welcome

[www.rossbarberphotography.zenfolio.com](http://www.rossbarberphotography.zenfolio.com)

Neidpath Castle has been witness to over 700 years of love stories. It was built in the 14th Century, and as one of the oldest and grandest of the Border Towers, it has been the scene of many splendid occasions. The castle would be honoured if you were to add to its rich history with your own.

[weddings@neidpathcastle.com](mailto:weddings@neidpathcastle.com)

At Neidpath, we want you to have the wedding you have always dreamt of. There are no fixed rules and we encourage everyone to let their imaginations have full reign. Our team is very experienced and love to be given a challenge. We have hosted fresh, summer, rose filled weddings; sumptuous, winter, candle lit weddings; weddings with feasts and ceilidhs, others with picnics and hog-roasts. Small intimate weddings, and epic huge weddings are just as possible.

Religious, Civil and Humanist ceremonies are all possible, as are indoor and outdoor ceremonies. Most couples choose to book the local Peebles Registrar, to perform their ceremony.

The Humanist Society of Scotland can put you in touch with a number of celebrants in the area. If you prefer, to have a religious ceremony, you can ask your own church minister to take the service.

## Getting Ready

Queen Mary's Chambers on the upper floor of the castle, are a luxurious haven for the bridal party to prepare in. There are two rooms, plenty of space, a fridge for bubbly, a big mirror, a sumptuous bathroom and four-poster bed. The fires will be lit and there is wifi for your convenience.

The rooms can be booked for the night too, and the newlyweds, can choose to spend their first night at the castle, waking up to a delicious breakfast of fresh berries, granola, yoghurt, croissants and smoked salmon.

[www.rossbarberphotography.zenfolio.com](http://www.rossbarberphotography.zenfolio.com)

We are proud of the fact that at Neidpath, we encourage people to arrange their own fabulous day, in exactly the way they wish, and choosing the caterers they like from our carefully selected list. We have great contacts for florists, photographers, hairdressers, make-up artists, pipers, kilts, cakes, ceilidhs and fireworks.

You can hire the castle, and arrange everything as if it were your own. However, we also know how to put on a great party, and are more than happy to help do this for you!

Knowing how busy and complicated life gets, we have asked a carefully chosen list of top caterers to put together an idea of what they can conjure up, leaving you free to have a fantastic, stress-free day. These caterers produce delicious menus, using seasonal ingredients, and have huge experience working in the 14th century building.
