We provide Residential and Dementia care which can be accommodated on a Long Term: Short term: Respite and Convalescence basis.

The ethos of our home is that each and every one of our care home team will treat our service users and their loved ones with the upmost dignity and respect.

As a community we offer high quality, person centred care tailored to our service users needs.

Our warm and friendly staff are committed to helping your loved one make new and happy memories in a happy, secure and home from home environment.

Our qualified Cooks work hard to ensure our menus are seasonal, nutritional and tasty.

Personal choice and preference is important to us, so all of our meals are freshly prepared and cooked in our professional kitchens. We are also able to meet the requirements of all types of religious, specialist and medical diets.
