St Catherine's Nursing Home

St Catherine's Nursing Home is set in large peaceful gardens which surrounds our lovely home. Located in a quiet residential area in Sheffield, with two separate buildings, St Catherine's is particularly suitable for those needing nursing or residential dementia care. The management of the home organises regular activities for the residents and everyone enjoys the outings. It's a peaceful and pleasant place to live.

We offer 24hr Registered Nursing provision which can be accommodated on a Long Term: Short term: Respite and Convalescence basis.

Our qualified, experienced and dedicated Nursing staff are led by the homes established and experienced Manager.

As a community we offer high quality, person centred care tailored to our service users needs.

It is our aim to provide a happy, secure and home from home environment with warm and friendly staff where making new and happy memories are a priority.

Our qualified Cooks work hard to ensure our menus are seasonal, nutritional and tasty.

Personal choice and preference is important to us, so all of our meals are freshly prepared and cooked in our professional kitchens. We use fresh and locally sourced seasonal vegetables, meats and fish where possible and at all times maintaining a high standard of quality. We are also able to meet the requirements of all types of religious, specialist and medical diets.

Our bedrooms are bright and homely, all rooms come complete with a full set of bedroom furniture consisting of: Bed, Wardrobe, Bedside Table, Chest of Drawers and a relaxing seating area.

We have different styles of bedrooms available which means we can cater for all needs/requirements.

Ensuring that our communities are accessible and that our residents have freedom of movement is important to us.
