

Grade Descriptors for GCSEs Graded 9-1: Art

and annotation. effectively develop ideas through creative and purposeful investigations and demonstrate a critical understanding of artists work. refine ideas by thoughtfully and effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. present a personal and meaningful response and demonstrate understanding of visual language. To clearly demonstrate a highly developed ability to: skilfully record ideas, observations and insights through drawing and annotation. effectively develop ideas through creative and purposeful investigations and demonstrate a critical understanding of artists work. refine ideas by thoughtfully and effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. present a personal and meaningful response and demonstrate understanding of visual language. To just demonstrate a highly developed ability to: skilfully record ideas, observations and insights through drawing and annotation. effectively develop ideas through creative and purposeful investigations and demonstrate a critical understanding of artists work. refine ideas by thoughtfully and effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. present a personal and meaningful response and demonstrate understanding of visual language. To clearly demonstrate a consistent ability to: skilfully record ideas, observations and insights through drawing and annotation. effectively develop ideas through purposeful investigations and demonstrate a critical understanding of artists work. refine ideas by effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. present a personal and meaningful response and demonstrate understanding of visual language. To adequately demonstrate a consistent ability to: skilfully record ideas, observations and insights through drawing and annotation. effectively develop ide		To adequately demonstrate an exceptional ability to:
effectively develop ideas through creative and purposeful investigations and demonstrate a critical understanding of artists work. refine ideas by thoughtfully and effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. present a personal and meaningful response and demonstrate understanding of visual language. To clearly demonstrate a highly developed ability to: skilifully record ideas, observations and insights through drawing and annotation. effectively develop ideas through creative and purposeful investigations and demonstrate a critical understanding of artists work. refine ideas by thoughtfully and effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. present a personal and meaningful response and demonstrate understanding of visual language. To just demonstrate a highly developed ability to: skilfully record ideas, observations and insights through drawing and annotation. effectively develop ideas through creative and purposeful investigations and demonstrate a critical understanding of artists work. refine ideas by thoughtfully and effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. present a personal and meaningful response and demonstrate understanding of visual language. To clearly demonstrate a consistent ability to: skilfully record ideas, observations and insights through drawing and annotation. effectively develop ideas through purposeful investigations and demonstrate a critical understanding of artists work. refine ideas by effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. present a personal and meaningful response and demonstrate understanding of visual language. To adequately demonstrate a consistent ability to: skilfully record ideas, observations and insights through drawing and an	9	 skilfully and rigorously record ideas, observations and insights through drawing
demonstrate a critical understanding of artists work. refine ideas by thoughtfully and effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. present a personal and meaningful response and demonstrate understanding of visual language. To clearly demonstrate a highly developed ability to: skilfully record ideas, observations and insights through drawing and annotation. effectively develop ideas through creative and purposeful investigations and demonstrate a critical understanding of artists work. refine ideas by thoughtfully and effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. present a personal and meaningful response and demonstrate understanding of visual language. To just demonstrate a highly developed ability to: skilfully record ideas, observations and insights through drawing and annotation. effectively develop ideas through creative and purposefull investigations and demonstrate a critical understanding of artists work. refine ideas by thoughtfully and effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. present a personal and meaningful response and demonstrate understanding of visual language. To clearly demonstrate a consistent ability to: skilfully record ideas, observations and insights through drawing and annotation. effectively develop ideas through purposeful investigations and demonstrate a critical understanding of artists work. refine ideas by effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. present a personal and meaningful response and demonstrate understanding of visual language. To adquately demonstrate a consistent ability to: skilfully record ideas, observations and insights through drawing and annotation. effectively develop ideas through purposefull investigations and demonstrate critical understanding of artists work.		
refine ideas by thoughtfully and effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. present a personal and meaningful response and demonstrate understanding of visual language. To clearly demonstrate a highly developed ability to: skilfully record ideas, observations and insights through drawing and annotation. effectively develop ideas through creative and purposeful investigations and demonstrate a critical understanding of artists work. refine ideas by thoughtfully and effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. present a personal and meaningful response and demonstrate understanding of visual language. To just demonstrate a highly developed ability to: skilfully record ideas, observations and insights through drawing and annotation. effectively develop ideas through creative and purposeful investigations and demonstrate a critical understanding of artists work. refine ideas by thoughtfully and effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. present a personal and meaningful response and demonstrate understanding of visual language. To clearly demonstrate a consistent ability to: skilfully record ideas, observations and insights through drawing and annotation. effectively develop ideas through purposeful investigations and demonstrate a critical understanding of artists work. refine ideas by effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. present a personal and meaningful response and demonstrate understanding of visual language. To adequately demonstrate a consistent ability to: skilfully record ideas, observations and insights through drawing and annotation. effectively develop ideas through purposeful investigations and demonstrate understanding of visual language. To convinci		
experimenting with appropriate media, materials, techniques and processes. • present a personal and meaningful response and demonstrate understanding of visual language. To clearly demonstrate a highly developed ability to: • skilfully record ideas, observations and insights through drawing and annotation. • effectively develop ideas through creative and purposeful investigations and demonstrate a critical understanding of artists work. • refine ideas by thoughtfully and effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. • present a personal and meaningful response and demonstrate understanding of visual language. To just demonstrate a highly developed ability to: • skilfully record ideas, observations and insights through drawing and annotation. • effectively develop ideas through creative and purposeful investigations and demonstrate a critical understanding of artists work. • refine ideas by thoughtfully and effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. • present a personal and meaningful response and demonstrate understanding of visual language. To clearly demonstrate a consistent ability to: • skilfully record ideas, observations and insights through drawing and annotation. • effectively develop ideas through purposeful investigations and demonstrate a critical understanding of artists work. • refine ideas by effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. • present a personal and meaningful response and demonstrate understanding of visual language. To adequately demonstrate a consistent ability to: • skilfully record ideas, observations and insights through drawing and annotation. • effectively develop ideas through purposeful investigations and demonstrate critical understanding of artists work. • refine ideas by effectively selecting and purposefully experimenting with appropriate media, ma		· · · · · · · · · · · · · · · · · · ·
To clearly demonstrate a highly developed ability to: • skilfully record ideas, observations and insights through drawing and annotation. • effectively develop ideas through creative and purposeful investigations and demonstrate a critical understanding of artists work. • refine ideas by thoughtfully and effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. • present a personal and meaningful response and demonstrate understanding of visual language. To just demonstrate a highly developed ability to: • skilfully record ideas, observations and insights through drawing and annotation. • effectively develop ideas through creative and purposeful investigations and demonstrate a critical understanding of artists work. • refine ideas by thoughtfully and effectively selecting and purposefully experimenting with appropriate media, materials, techniques and processes. • present a personal and meaningful response and demonstrate understanding of visual language.
