Liaison & Transition Policy

Liaison & Transition

Date	Review Date	Coordinator
September 2024	August 2025	Mrs M Brown Mrs D York Miss A West Ms V Brown Ms K Gorton

We believe this policy relates to the following legislation:

- Children Act 1989
- Standards and Framework Act 1998
- Education Act 2002
- Children Act 2004
- Safeguarding Vulnerable Groups Act 2006
- Education and Inspections Act 2006
- Children and Young Persons Act 2008
- Equality Act 2010
- Education Act 2011
- Special Educational Needs and Disability (Detained Persons) Regulations 2015

The following documentation is also related to this policy:

- Practitioners' Experiences of the Early Years Foundation Stage (DfE)
- Statutory Framework for the Early Years Foundation Stage (DfE)
- What Makes a Successful Transition from Primary to Secondary School? (DfE)
- Working Together to Safeguard Children (2013) (DfE)

We believe that it is very important to have good liaison to enable schools in different phases to obtain a better understanding of each other's needs and problems and of the way in which each operates. The requirements of the National Curriculum mean that curriculum continuity, assessment procedures, recording and reporting, and the flow of information takes on an increased importance in the transition process.

We believe transition means the movement of pupils that takes place from one setting to another. We work hard to ensure that all children are supported in settling into their new learning environment in preparation for their future learning and development.

We want all children to achieve and to produce their very best and therefore we will ensure that the transition process runs smoothly in order for this to be achieved by having in place effective communication between teachers, parental engagement, an induction programme based on continuity and progression.

We believe transition is a 'process, not an event and should be planned for and discussed with children and parents/carers'. (Statutory Framework for the Early Years Foundation Stage)

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
