Looked After Children Policy

Looked After Children

Date	Review Date	Designated Teacher
September 2024	August 2025	Mrs M Brown Mrs D York Miss A West Ms V Brown Ms K Gorton

We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school and is related to the following legislation:

- Education Act 1996
- Children Act 2004
- Safeguarding Vulnerable Groups Act 2006
- Equality Act 2010
- Children and Families Act 2014
- Special Educational Needs and Disability (Detained Persons) Regulations 2015

The following documentation is also related to this policy:

- Dealing with Allegations of Abuse against Teachers and other Staff: Guidance for Local Authorities, Principals, School Staff, Governing Bodies and Proprietors of Independent Schools (DfE)
- Equality Act 2010: Advice for Schools (DfE)
- Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges (DfE)
- Special Educational Needs and Disability Code of Practice: 0 to 25 Years. Statutory Guidance for Organisations Who Work With and Support Children and Young People with Special Educational Needs and Disabilities (DfE) and (DoH)
- Working Together to Safeguard Children: A Guide to Inter-agency Working to Safeguard and Promote the Welfare of Children
- Improving the attainment of Looked After Children in primary schools (DCSF))
- Race Disparity Audit - Summary Findings from the Ethnicity Facts and Figures Website (Cabinet Office)

We understand that children or young people who have been taken into care by the local authority or who have a voluntary care arrangement are known as 'Looked After'. This is because of family breakdown, abuse, neglect or social need. Looked After Children will either be living in foster homes, children's residential homes, living with a relative or with their natural parent(s).

We are committed to providing quality education for all our pupils including Looked After Children. It is nationally recognised that Looked After Children significantly underachieve and are at greater risk of exclusion when compared with their peers. Therefore, we believe we have a duty 'to safeguard Looked After Children, to promote their educational

achievements and to ensure they are able to achieve and reach their full potential'. (Children Act 2004)

We are aware that 'children in care are too often missing out on treatment for mental health problems despite being four times more likely to experience them' because they move placement too often.

We work hard to ensure children in care are 'given priority access to mental health assessments and are never refused care based on their placement or severity of their condition.'

We have a duty to:

- ensure Looked After Children are never refused a service, including mental health, on the grounds of their placement;
- in the event of oversubscription to give priority to Looked After Children;
- appoint a designated qualified teacher to promote the educational achievement of Looked After Children
- ensure the designated teacher undertakes appropriate training;
- have in place a personal education plan for all Looked After Children drawn up in consultation with the local authority;
- ensure Looked After Children are involved in planning and decision making in regard to their education;
- act on any issues as highlighted in the annual report from the designated teacher.

We support all looked LookedAfter Children who have communication needs and will take in to account their wishes and feelings in their care planning and process.

'Children with communication needs include those who use non-verbal means of communication as well as a wider group of children who have difficulties in communicating with others. It may be that they cannot express themselves effectively or they may have difficulties in understanding what is being said to them.'

(Supporting looked after children with communication needs: Departmental advice for independent reviewing officers (DfE))

We ensure support staff have had the appropriate training in communication skills in order to understand Looked After Children who have communication needs.

We have a duty to safeguard children, young people and families from violent extremism. We are aware that there are extremists groups within our country who wish to radicalise vulnerable children and to involve them in terrorism or in activity in support of terrorism. Periodic risk assessments are undertaken to assess the risk of pupils being drawn into terrorism. School personnel must be aware of the increased risk of online radicalisation, and alert to changes in pupil's behaviour. Any concerns will be reported to the Designated Safeguarding Lead.

We are aware that under the 'Counter-Terrorism and Security Act 2015' we have the duty to have 'due regard to the need to prevent people from being drawn into terrorism'. This duty is

known as the Prevent duty and we believe it is essential that school personnel are able to identify those who may be vulnerable to radicalisation or being influenced by extremist views, and then to know what to do when they are identified.

We provide a safe environment where we promote pupils' welfare. Within this environment we work hard to build pupils' resilience to radicalisation and extremism by promoting fundamental British values and for everyone to understand the risks associated with terrorism. We want pupils to develop their knowledge and skills in order to challenge extremist views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
