## Positive Handling Policy

## **Positive Handling (Restraint of Pupils)**

<b>Date</b>	<b>Review Date</b>	<b>Coordinator</b>
<b>September 2024</b>	<b>August 2025</b>	<b>Mrs M Brown Mrs D York Miss A West Ms V Brown Ms K Gorton</b>

We believe this policy relates to the following legislation:

- Education and Inspections Act 20006
- Equality Act 2010
- Special Educational Needs and Disability (Detained Persons) Regulations 2015

The following documentation is also related to this policy:

- Equality Act 2010: Advice for Schools (DfE)
- Special Educational Needs and Disability Code of Practice: 0 to 25 Years. Statutory Guidance for Organisations Who Work With and Support Children and Young People with Special Educational Needs and Disabilities (DfE) and (DoH)
- Use of Reasonable force in Schools: a summary for Principals, Staff and Governing Bodies (DfE)

We work hard to maintain a positive school ethos where all members of the school community work well alongside each other developing positive working relationships.

We are fully committed to every child receiving the very best education and ensuring that all pupils reach their full potential in a safe, secure, welcoming and nurturing school environment where everyone is valued equally and where the use of positive handling is minimised.

We want pupils to come to school to enjoy the meaningful experiences that we offer and where they feel valued and special. We want them to be well behaved and to have a sense of pride in themselves and their school.

We acknowledge that Section 93 of the Education and Inspections Act 2006 allows school personnel to use reasonable force to restrain a pupil from doing, or continuing to do, any of the following:

- committing any offence (or, for a pupil under the age of criminal responsibility, what would be an offence for an older pupil);
- causing personal injury to, or damage to the property of, any person (including the pupil himself); or
- prejudicing the maintenance of good order and discipline at the school or among any pupils receiving education at the school, whether during a teaching session or otherwise

(Department for Education– Use of reasonable force)

We understand that there is no legal definition when reasonable force can be used. 'That will always depend on the precise circumstances of individual circumstances of individual cases. To be judged lawful, the force used would need to be in proportion to the consequences it is intended to prevent. The degree of force used should be the minimum needed to achieve the desired result. Use of force could not be justified to prevent trivial misbehaviour'. (Department for Education – Use of reasonable force)

We understand that unpaid school volunteers or parents accompanying pupils on an educational visit who have been put in temporary charge of pupils by the Principal may use reasonable force if need be.

We do not support the use of force as a form of punishment under any circumstance.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.

- Using effective strategies to manage all incidents that occur.
- Informing a disruptive pupil that force may be used before using it.

## **School Personnel authorised to use force**

All school personnel whose job involves supervising pupils may use force to restrain a pupil but only in extreme circumstances.

All staff will receive periodic training in pupil restraint.

## **Deciding whether to use force**

We believe that the use of force and what force to use must always depend on the circumstances of each incident.

We acknowledge that when faced with an incident there is very little time for school personnel to think before making a quick but effective decision.

However, school personnel must be aware of and consider the following:

- Assessing the seriousness of the incident that if force is not used then it could result in injury, damage or disorder.
- After considering alternatives for dealing with the situation, force is the only justifiable way of achieving a positive result.
- Assessing the number of risks connected with using force compared with using other strategies.

## Types of Incidents

School personnel will have to make decisions when dealing with any of the following incidents:

- **Fighting** - pupils fighting.
- **Attack** - a pupil attacks an adult or another pupil.
- **Damage to property** – a pupil deliberately damages property or is about to.
- **Injury or damage** – a pupil causes or is about to cause injury or damage.
- **Absconding** – when a pupil tries to leave school which could put his/her own safety at risk, the safety of others or the damage to property.
- **Defying an instruction** – when a pupil persistently refuses to leave a classroom.
- **Disruption of lessons** – when a pupil's behaviour seriously disrupts a lesson.
- **Disrupting a school event** – when a pupil's behaviour seriously disrupts a school event.

## Using Force

When faced with an incident and before force is used, school personnel must:

- act in a calm and measured manner;
- show no anger or frustration;
- tell the pupil to stop misbehaving or restraint will be used but will stop when the pupil behaves

School personnel may use the following types of force:

- **passive physical contact** by standing between pupils or by blocking a pupil's path;
- **active physical contact** by using restrictive holds, leading a pupil by the arm or hand or ushering a pupil away by placing a hand in the centre of the back

School personnel must make every effort not to harm a pupil or restrain a pupil that could be interpreted as sexually inappropriate conduct.

## Risk Assessments

Risk assessments are in place for:

- a variety of potential incidents

- individual pupils

### **School Personnel Training**

School personnel will be trained by an accredited trainer in the techniques of restraint every three years.

## Equality Impact Assessment

Under the Equality Act 2010 we have a duty not to discriminate against people on the basis of their age, disability, gender, gender identity, pregnancy or maternity, race, religion or belief and sexual orientation.

This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any pupil and it helps to promote equality at this school.
