## Prevent Duty - Dealing with Extremism and Radicalisation

Date	Review Date	Designated Safeguarding Lead	Deputy Designated Safeguarding Lead
<b>September 2024</b>	<b>August 2025</b>	<b>Mrs D York</b>	<b>Ms J Sinnamon Miss A West</b>

We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school and is related to the following legislation:

- Education Act 1996
- Children Act 2004
- Safeguarding Vulnerable Groups Act 2006
- Equality Act 2010
- Children and Families Act 2014
- Education Act 2011
- Counter Terrorism and Security Act 2015
- Special Educational Needs and Disability (Detained Persons) Regulations 2015

The following documentation is also related to this policy:

- Dealing with Allegations of Abuse against Teachers and other Staff: Guidance for Local Authorities, Principals, School Staff, Governing Bodies and Proprietors of Independent Schools (DfE)
- Equality Act 2010: Advice for Schools (DfE)
- Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges (DfE)
- Prevent Strategy (HM Gov)
- Teaching approaches that help build resilience to extremism among people (DfE)
- Working Together to Safeguard Children: A Guide to Inter-agency Working to Safeguard and Promote the Welfare of Children
- Channel Duty Guidance - Protecting vulnerable people being drawn into terrorism (HM Government)
- Race Disparity Audit - Summary Findings from the Ethnicity Facts and Figures Website (Cabinet Office)

We are committed to safeguarding and promoting the welfare of all children and we take account of the information contained in the DfE documents 'Working Together to Safeguard Children' and 'Keep Children Safe in Education: Statutory Guidance for Schools and Colleges (DfE 2015)' as the safety and protection of children is of paramount importance to everyone in this school.

We believe that all children have the right to be safe in our society. Therefore, we recognise that we have a duty to ensure arrangements are in place for safeguarding and promoting the welfare

of children by creating a positive school atmosphere through our teaching and learning, pastoral support and care for both pupils and school personnel, training for school personnel and with working with parents.

We are aware that under the 'Counter-Terrorism and Security Act 2015' we have the duty to have 'due regard to the need to prevent people from being drawn into terrorism'. This duty is known as the Prevent duty and we believe it is essential that school personnel are able to identify those who may be vulnerable to radicalisation or being influenced by extremist views, and then to know what to do when they are identified.

We understand that radicalisation 'is a process by which an individual or group comes to adopt increasingly extreme political, social, or religious ideals and aspirations that reject or undermine the status quo or reject and/or undermine contemporary ideas and expressions of freedom of choice'. (Wikipedia) Whilst extremism is best defined as the holding of extreme political or religious views.

We understand that it is our duty under the statutory guidance on the Prevent duty to have in place a risk assessment, a working partnership with the Local Safeguarding Children Boards (LSCBs), training school personnel and IT policies.

We have a duty to actively promote and embed British values such as 'democracy, the rule of law, individual liberty, mutual respect and tolerance of different faiths and beliefs' within this school and to challenge pupils, school personnel or parents who express extremist views contrary to these values. We want to ensure pupils are prepared for life in modern Britain by the active promotion of and respect of British values.

We will refer any concerns we may have regarding individuals or groups of individuals who have or demonstrate extremist views to the relevant outside agencies as we feel that we have a duty to intervene at the earliest opportunity and to protect those concerned.

We will ensure that counter-radicalisation strategies will not prevent teachers discussing with their pupils controversial ideas and topics as we wish pupils to further develop their own critical thinking skills.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
