## Risk Assessment Policy

## Risk Assessment

Date	Review Date	Coordinator
September 2024	August 2025	Mrs M Brown Mrs D York Mrs V Price Mrs K Gorton

We believe it is essential that risks to the health and safety of our pupils, staff, buildings, school grounds, visitors and school events must be controlled through regular risk assessments as we wish to provide a safe, secure and healthy school environment.

We recognise our responsibilities under the Health and Safety at Work Act 1974 and will take all reasonably practicable steps to provide and maintain safe and healthy working conditions, equipment and systems of work for all our pupils, school personnel and visitors to the school.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.
