- Education Act 1996
- Education and Inspections Act 2006
- Education (Independent School Standards) (England) Regulations 2010
- Equality Act 2010
- Schools (Specification and Disposal of Articles) Regulations 2012
- School Behaviour (Determination and Publicising of Measures in Academies) Regulations 2012

The following documentation is also related to this policy:

- Use of Reasonable Force – advice for headteachers, staff and governing bodies Behaviour and Discipline in Schools (DfE)

- Information Commissioner for advice on the Data Protection Act (DfE)
- Equality Act 2010: Advice for Schools (DfE)
- Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges (DfE)
- Working Together to Safeguard Children: A Guide to Inter-agency Working to Safeguard and Promote the Welfare of Children

We recognise our responsibilities under the Health and Safety at Work Act 1974 and will take all reasonably practicable steps to provide and maintain safe and healthy working conditions (on the school premises and during school-sponsored activities), equipment and systems of work for all our pupils, school personnel and visitors to the school.

We understand that 'Headteachers and school personnel authorised by them have the statutory power to search pupils or their possessions, without consent, where they have reasonable grounds for suspecting that the pupil may have a prohibited item'.

We have decided that the following items are prohibited in this school namely knives or weapons, alcohol, illegal drugs, stolen items, tobacco and cigarette papers, fireworks, pornographic images, mobile phones and any items that could be used to commit an offence or personal injury or damage to property.

We understand that we can seize any prohibited item that we consider is 'harmful or detrimental to school discipline'. We will inform and hand to the Police certain prohibited items.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
