## Troubled and Vulnerable Children

Date	Review Date	Coordinator
<b>September 2024</b>	<b>August 2025</b>	<b>Mrs M Brown</b> <b>Mrs D York</b> <b>Miss A West</b> <b>Ms V Brown</b> <b>Ms K Gorton</b>

We believe this policy relates to the following legislation:

- Prohibition of Female Circumcision Act 1985
- Children Act 1989
- Arrangements for the Placement of Children (General) Regulations 1991
- Education (Grants) (Travellers and Displaced Persons Regulations 1993
- Care Standards Act 2000
- Children (Leaving Care) Act 2000
- Female Genital Mutilation Act 2003
- Education and Inspections Act 2006
- Forced Marriage (Civil Protection) Act 2007
- Children and Young Persons Act 2008
- Education Act 2011
- Protection of Freedoms Act 2012
- Children and Families Act 2014

The following documentation is also related to this policy:

- Female Genital Mutilation: Multi-agency Practice Guidelines (Dept. of Health)
- Improving the Educational Attainment of Children in Care (Looked After Children) (DCSF)
- Improving the Outcomes for Gypsy, Roma and Traveller Pupils: Final Report (DfE)
- Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges (DfE)

We fully recognise our responsibilities outlined in the Children Act 2004 for safeguarding and promoting the welfare of all children but in particular those children defined as troubled and vulnerable.

We consider the following groups of children to fall in to the category of troubled and vulnerable children:

- looked after children
- traveller children
- bullied/cyber bullied children
- children who go missing from home/school
- children suffering from neglect, physical abuse, sexual abuse or emotional abuse
- children suffering from bereavement
- children of parents who are refugees/asylum seekers

- children experiencing drugs or alcohol abuse
- children with a disability
- children excluded from school

We believe we have worked hard to create and maintain an ethos in which we provide support and guidance so that pupils feel secure and confident enough to talk if they are experiencing difficulties. Pupils understand that we are prepared to listen to them as we value their viewpoints.

We have in place an effective safeguarding and child protection policy, an established system for reporting safeguarding and child protection concerns, a secure system for storing sensitive information, an effective system for monitoring children identified as being vulnerable, excellent lines of communication with external support agencies, policies and procedures for safe recruitment and policies and procedures on how to deal with allegations against school personnel.

We ensure that all school personnel receive regular training in safeguarding techniques so that we are able to recognise the signs and symptoms of suspected child abuse and that they are aware of the procedures of reporting such cases.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
