Admissions & Attendance Registers

Date	Review Date	Coordinator
September 2023	September 2024	Mrs M Brown Miss K. Varty Mrs D York

We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school and is related to the following legislation:

- Children Act 1989
- Education Act 1996
- Data Protection Act 1998
- School Standards and Framework Act 1998
- Education (Pupil Registration) (England) Regulations 2006
- Education (Pupil Registration) (Amendment) (England) Regulations 2010
- School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012
- Education (Pupil Registration) (Amendment) (England) Regulations 2013

The following documentation is also related to this policy:

- School Attendance (DfE)

We believe we conform to current legal regulations that govern the admissions and attendance registers that we must keep. We fully understand that an admission register must be kept by law and includes the 'personal details of every pupil in the school, the date of admission or re-admission, information regarding parents/carers and details of the school attended'; and that pupil attendance must be recorded.

We have a duty to ensure all pupils attend school regularly in order for them to fulfil their potential as we believe that children with poor attendance will achieve less.

We believe attendance registers are important for effective attendance management and providing evidence in the event of prosecution of parents under the Education Act 1996.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
