

**Live in a beautiful coastal location, and enjoy a cosmopolitan life**  
**65% of billings in the established mixed billing practice GP owned and managed clinic**  
**one hour from Margaret Rivers wineries**

### **Headline**

Work in a mixed billing practice in this Western Australian Regional City, two hours drive or train from Perth, one hour from Margaret River wineries. GP owned and managed clinic, with established patient base.

### **The Location**

The city of Bunbury is two hours from Perth, and one hour drive from the famous Margaret River wine region. The region offers a city lifestyle with the benefits of being set on the coast. You can enjoy fabulous restaurants and cafes, eye- catching modern public art, national parks and forests, cycle paths and beautiful un-crowded beaches. Your lunch hour might include a swim or surf, with a quick coffee and sandwich from the cappuccino strip, or perhaps spend a little time with the local wildlife including kangaroos, kookaburras, pelicans and dolphins.

The region has a temperate climate of around 30 degrees in summer and 14 degrees in winter.

### **About the Practice**

You will be part of one of the region's most comprehensive medical centres, including: corporate care, physiotherapy, psychology, immigration medicals, pharmacy, pathology, dental, hearing, pharmacy, pathology, after hours GP, podiatry, cardiology, occupational health, and exercise rehabilitation, all on site.

Large patient base

Fully accredited by AGPAL
