The Location

This is an Outer Metro DWS location, 30 mins to Perth City, 40 mins to Fremantle.

Most of the suburb is built up residential, providing a large, growing patient base (10% population growth at the last census), with the green belt state forest rising into the Perth Hills to the East. This is a wonderfully diverse community, 37% of residents were born overseas, over 40 languages are spoken.

About the Practice

This is a new, rapidly growing practice with excellent facilities, support staff and manager to allow it to take advantage of the ideal central location.

This is a very well run centre with a motivated, close- knit team working together to exceed expectations. Management have clear direction, while being open to new ideas and will support your specialties.

Full time and part- time opportunities available.

There is also an excellent opportunity for a leader- in- waiting to join a really exciting, hard- working team and have a real influence on future successes.
